**RE: AB 2319 (Schultz) - Personal income tax law: corporation tax law: credits:
qualified motion picture: post-production
Los Angeles Mayor Bass - REQUEST FOR SIGNATURE**

Dear Governor Newsom,

I write **to respectfully request your signature on AB 2319 (Schultz)**, which creates a targeted tax credit to retain film and television post-production jobs in California.

California's current tax credit program retains principal photography, however post-production work is increasingly lost to other jurisdictions offering targeted incentives. Without a competitive incentive, we risk losing talent to other states. AB 2319 addresses this gap by creating a post-production credit to protect thousands of high-skilled jobs, keep local facilities active, and maintain California's global leadership in entertainment production.

This measure will help sustain jobs and ensure California remains the global leader in entertainment production and innovation.

For these reasons, I **respectfully request your signature on AB 2319 (Schultz)**.

Sincerely,

KAREN BASS
Mayor
