

CORONAVIRUS UPDATE

UPDATE #18

WORKPLACE SAFETY SURVEY COMING SOON! (UPDATE 5-13-2020)

Dear Members,

Last week was the third in a Zoom series of “Coffee with Cathy” with special guest President Alan Heim. Included here is a video condensing the important aspects of our discussion surrounding the need to establish safety protocols for an inevitable return to work.

We will be sending out a brief survey on this subject, so please keep a lookout for an upcoming email.

Thank you to those who have been participating in the Zoom series. It is a great way for the members to connect with one another and for me to be able to respond to members' questions and concerns directly. It also helps me to stay connected with you which is always an important priority for me.

I look forward to seeing you on Zoom sometime soon!

With best regards and solidarity,

Cathy Repola
National Executive Director
