

CORONAVIRUS UPDATE

EDD FAQs (UPDATE 4-4-2020)

Due to the nature of our industry work patterns, there are many questions about UI and the CARES Act relief package that are unique to our industry. The California Employment Development Department (EDD) is working hard to answer these questions. In response, they are hosting a webinar specifically for those who work in the entertainment industry.

The EDD will be holding the webinar in partnership with the Los Angeles County Federation of Labor, AFL CIO and the California IATSE Locals, Directors Guild of America, Laborers Local 724, SAG-AFTRA and Teamsters Local 399. We thought some of you might find it useful.

NOTE: Due to time constraints they will not be able to take Live Q&A. They are unable to record this webinar, so please plan to attend.
